ScienceThrillers Media provides publishing services to the independent author. Please contact us to discuss your goals, your skills, and your needs.

Developmental Editing (\$999 and up)

Our signature specialty service. We only edit one kind of book--suspense/thriller fiction (of any length) with science or medicine in the plot--and we do it well. Ask for references, a sample edit, or look at the award-winning titles we've helped to reach their potential.

[Developmental editing](#) can raise the professionalism and appeal of almost any manuscript—a necessity for a book to compete in today's crowded marketplace.

Copyediting (\$299 and up)

Available only as an add-on service to developmental editing, **or** an approved manuscript.

Navigating Amazon Publishing Bundle (\$499 and up)

The least expensive way to get your book into the marketplace. Suitable for text-only manuscripts (no images or tables). You provide a Microsoft Word document of your book. We turn it into paperback and Kindle ebooks for sale worldwide through amazon.

Services included: *Interior design for POD, ebook formatting (Kindle only), amazon distribution*

Not included / Additional fee: *Cover design*

Professional Interior Design (\$749 and up)

We turn your text document into a beautiful, custom book interior with plenty of attention to detail using Adobe InDesign software, the publishing industry standard.

Services included: *Custom interior design for POD*

- Unlike the previous bundle package, this interior design is done “by hand”
- PDF file suitable for either paperback or hardcover interior

Professional Ebook Formatting (\$299 and up)

Available only as an add-on service; requires purchase of professional interior design.

Services included: *ebook formatting (EPUB3 and Kindle)* **Not included:** *cover design*

- We create ebook files in both major formats, suitable for all ebook retailers
- You provide the cover as a jpg file, or purchase

Cover Design (\$99 ebook only; \$299 ebook + paperback)

ST can recommend professional cover designers, and/or direct you to legal sources of images and tools for you to design your own cover. If you prefer, we can create a simple cover for you using an image that you provide. \$49 additional fee if we provide image.

Webpage (\$249 + maintenance fee)

A landing page for your book under ScienceThrillers Media website. Book information, reviews, events, giveaways, links to media coverage, purchase links, about the author, bookseller information, etc. See example:

Publishing Consulting and Other Services (hourly rate \$50-75; ask for a package estimate)

Get your publishing questions answered one-on-one, or ask us to help you with other aspects of your project. If you chose our professional book design services and want help with the next step of publishing, we will design a service just for you.

- Self-Publishing/Distribution: I have my files, how do I get my book for sale on amazon? At Barnes & Noble? Apple iBooks? What POD provider should I use? What are returns? Retailer discount? What if I just want to print copies for myself?
- Hardcover edition; large print edition
- Query letter or synopsis: Can you edit my query letter (for agent/publisher/book reviewer) or book summary? (Yes!)
- Covers: How do I hire a cover designer? What text should I put on my cover? Where can I find images that are legal to use?
- Mechanics and metadata: Do I need an ISBN? How do I get one? Barcode? What category should I choose? Keywords? Should I do a hardcover? What price should I set?
- Marketing: How can I get book reviews? What social media should I use? Should I hire a professional publicist or book marketing firm?
- Website: Can you build me an author website, or help me do it myself? (Yes!)
- Design a press release and/or sell sheet
- Library of Congress and copyright registration
